Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Kocun, applicants' representative, contacted examiner to discuss the claims in reference to the cited prior art, i.e. Duvillier et al. Examiner suggested that applicants further structurally define the pattern disclosed in each of the independent claims. Mr. Kocun presented some persuasive arguments regarding how the claimed invention differed from the Duvillier et al. reference. Examiner suggested that Mr. Kocun present the arguments in the formal response for her consideration. Examiner also stated that further search and/or consideration may be necessary. Examiner further stated that she would contact Mr. Kocun prior to sending out an additional office action.
